Letter of Recommendations for the Scholarship

- Submit a Letter of Recommendation from your current program's respiratory therapy faculty member. This could be from the Program Director, Director of Clinical Education, or another full-time faculty member.

Summary

- Include a summary of no more than one page detailing where and when the subject has been presented, questions received and answered based on the presentation, or the learning acquired and its impact on practice. Alternatively, include audience participation details in the submitted video.

Tips

Use this to your benefit by creating a presentation that can also be used for a current course.

Submit a presentation from a previous course. This does not need to be from scratch.

Deadline

May 31st
